Please indicate your area/s of interest by ticking the boxes below:

- Cheeky Chook Club (15 mins weekly in the morning and some garden working bees)**
This is our most popular job so be quick to secure a place! Visit our chickens one morning per week to change their drinking water and food, and collect some eggs (please remember that chickens don't always lay during winter months). We ask all cheeky chook club volunteers to attend at least one garden open day during the term to help clean out the chicken coop. Full training is provided.
- Produce Stalls and Special Events**
Help us with our various fundraising initiatives by either assisting with harvesting or selling on our produce stall days, or ad hoc jobs for our various special events like our FETE and other special days throughout the year.
- Open Garden (Saturday or Sunday 9am-12pm, once a month)**
Attend our monthly family-friendly Open Gardens and working bees.. Join our group of volunteers who plant, weed, construct and tidy up our beautiful garden. Beginners or people with expert knowledge welcome.
- Cook, pickle or create**
As we prepare our produce for selling at the fete, events and stalls throughout the year we are always grateful for help to make up products from jam, relish to beeswax wraps.
- Build** - we often have 'handy' people jobs so if you are handy and can spare the odd hour to help out that would be great.
If you have any ideas or other ways you'd like to contribute to the garden please let us know or email us at ashburycommunitygarden@gmail.com
