

## A Voice in Your Child's Education Ashbury Public School P&C Association 2021

The Parents and Citizens' Association works to support education at Ashbury public school and to support the school community of students and families. Some of the ways we do this are:

- Encouraging parent participation in their children's education, both at home and in the school;
- Providing feedback to the School Council, Principal and staff regarding school and classroom policy and activities;
- Fundraising to purchase equipment and other resources;
- Providing opportunities for parents and teachers to meet on more relaxed occasions such as social functions and working bees;

The P&C meets at 7pm on the second Tuesday of each month during school term. Notices of the meetings are in the school newsletter and email.

**Membership is \$5.00 per adult per year and is required if you wish to vote at the P&C.**

If you just want to receive emails and attend meetings to keep informed of what is happening in the school via the P&C email network, you don't need to be a paid member; just tick the appropriate box below. Any person eligible for membership may become a member or renew membership by paying the required membership fee of \$5 to the Treasurer, after any general meeting.
